## What the service offers

The service offers realistic and practical support to help you to:

- Improve your diet
- Plan healthy meals on a budget
- Become more physically active
- Improve physical and emotional wellbeing
- Connect to community activities
- Get involved with the project and support others
- Access other services that can support you to reach your goals and ambitions
- Access support from peers and volunteers

## How does the service work?

The service is completely tailored to individual need and we can help you through;

- An individual assessment
- A co-produced action plan
- Working in partnership
- Building on your interests, desired goals and aspirations
- 1-2-1 appointments / Workshops
- Peer groups
- Onward referrals
- Groups in your local community
- Keeping you motivated

## Our Team - Living Well Advisors

Your Living Well Advisor will work with you to carry out an assessment. They will help you to identify your strengths and build on these to reach your desired goals.

Together you will develop an action plan and review your progress on a regular basis.

## Our Team - Community Connectors

Your Community Connector will support you to bring your action plan to life. They will support you to access activities within your community, such as exercise classes, cooking groups, community clubs and volunteering opportunities.

They will support you to reach your desired goals whilst building and maintaining local connections.

## How do I get involved?

There are many ways you can get involved. You can;

- Volunteer
- Become a Peer Mentor / Community Champion
- Support the development of activities within your community, including running community clubs

## Is this service for me?

If you can answer yes to any two of the questions within the table, then you could benefit from our Living Well service.

If however you don't answer yes, or only answer yes to one question, then we can still support you by advising you of any other services in your area that can help to support your needs.
