

Accessibility Statement for Independence Trust Homepage

This is an accessibility statement from Independence Trust.

Measures to support accessibility

Independence Trust takes the following measures to ensure accessibility of the Independence Trust Homepage:

- Assign clear accessibility goals and responsibilities.
- Have staff focused on digital inclusion and accessibility

Conformance status

The [Web Content Accessibility Guidelines \(WCAG\)](#) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. GRCC Homepage is partially conformant with WCAG 2.1 level AA. Partially conformant means that some parts of the content do not fully conform to the accessibility standard.

Additional accessibility considerations

Easy read format when this resource has been created
